

The Fresno Rescue Mission invites you to

JOIN TOGETHER TO FIGHT POVERTY

As a society, we have the resources and knowledge to end hunger and homelessness—we just need the collective will to make these ideas a reality.

NOV. 11–19, 2017 Join the Fresno Rescue Mission during Hunger and Homelessness Awareness Week. You can help lend a hand to those in immediate need, while also supporting meaningful, long-term solutions.

WHAT YOU CAN DO: visit FresnoRM.org

- ⇒ **DONATE:** Share resources with organizations who are making a difference in the lives of men, women, and children in great need.
- ⇒ **UNDERSTAND HOMELESSNESS:** When our citizens are not thriving, neither is our community. **EVERY PERSON MATTERS.** We cannot look away.
- ⇒ **GET INVOLVED:** Volunteer with us or another organization that promotes “RELATIONSHIP” and make a difference in the life of someone in need.

EVERY PERSON DESERVES TO LIVE without worrying whether they'll have food on their plate or a roof over their head. But instead, far too many people are forced to make hard choices between paying for food, housing, and other critical expenses.

IN THE U.S.

More than **43 million Americans** are at risk of suffering from hunger.

Each year, **3.5 million** people end up sleeping in parks, under bridges, in shelters, or in cars.

Nearly **1 in 5 children** lives in poverty.

WORLDWIDE

795 million people—or **1 in 9** people in the world—do not have enough to eat.

767 million people live on \$1.90 a day or less.

Every **10 seconds**, a **child dies** of a hunger-related disease.
