SUPPORTING...

... Fresno Police Chaplaincy.

Fresno has more than 20,000 gang members contending for the influence of our youth; to include human trafficking, gang recruitment, and drug addiction.

Through The Fresno Police Chaplaincy, Project RISE (Resilience in Student Education) and Project STEALTH (Stop Teen Exploitation

And Liberate Through Hope) are incredible social justice outreach programs bringing hope into the lives of at-risk youth in Fresno through education, intervention, and mentorship.

Please understand, our youth will be influenced one way or another. Your partnership with The Fresno Police Chaplaincy creates more opportunities for our chaplains to open the doors to incredible futures and lifelong relationships. Our goal is really simple: Help us connect the at-risk with those willing to risk.

... Fresno Rescue Mission.

Together, we are changing the lives of men, women and children in need.

From meals, to 24-hour emergency services, to programs and vocational training, the Fresno Rescue Mission is helping people in our community to move forward in a positive way.
