

FRM Thrift Store & Cars with Vocational Training

Fresno Rescue Mission Thrift Store & Cars is a ministry which functions as a vocational training center for those enrolled in our substance abuse programs and for our *Community Care* participants who have agreed to remain under case management while they take steps toward a new life.

In addition, we provide entry-level staff positions for men and women graduating from the residential portion of their program and for those advancing in *Community Care* processes. These entry-level employment positions help men and women transition into career opportunities outside the Mission.

HOW WE HELP...

We help people in need **identify the best next step** they can take, whatever that might be. We help them take these steps, or find the community resources they need.

Community Care Services

24-Hour Emergency Services with Case Management - Building relationships with the people we meet, offering hope through a meal, a shower ... and sometimes their first restful sleep in years.

Community Response Team - A mobile unit reaches out to individuals camping in the City and County of Fresno, responding as a coordinating service and transporting agency for those with whom the Fresno Police Department and Sheriff's Office are actively engaging...

Warming Center - Offered when outdoor temperatures drop to 35 degrees or below...

Sobering Center - An alternative to booking intoxicated individuals...

FRM Respite Center - Providing beds for homeless men and women who need a safe place to continue their recuperation after being discharged from, and referred by, local hospitals...

"The poor shall eat and be satisfied; those who seek Him will praise the Lord. Let your heart live forever!" Psalm 22:26

We also offer eighteen-month programs to help men and women escape their current situations and transform their lives completely. We provide HOPE and WHOLENESS that comes from faith and the redemptive power of Jesus Christ.
