

SCHEDULE an FRM SPEAKER

Matt Dildine, CEO

The Fresno Rescue Mission has staff members available for speaking engagements throughout the community. If your civic group, church, church group, school assembly, business or organization is in need of a Mission representative to highlight FRM ministry efforts, we can tailor a presentation to meet your needs to your specifications.

Our presentations will educate and inform the public of our vision, programs, and stellar services. In addition, we provide information about homelessness, the impact it has on our community, and steps your group can take to be involved - - making a difference alongside existing organizations who specialize in addressing the public need.

To schedule a speaker for your gathering, please include the following information:

- ◆ **Date and Time you would like staff to speak**
- ◆ **Expected duration of the event and the duration of the speaking timeslot anticipated**
- ◆ **Questions you would like covered in the allotted timeframe**
- ◆ **Number of people expected at your gathering and the general make-up of the audience**

Please schedule well in advance, allowing a minimum of two weeks prior to your event.
